A Little About Our judge

I have been judging at Open Show level since 1985 (and also judged my first Open Show Samoyed in that year). I am now a CC judge in Alaskan Malamutes, Bernese Mountain Dogs, Leonbergers, Newfoundlands, Portuguese Water Dogs and St Bernards.

I also judge the Working Group at Championship show level. I am currently awaiting approval to award CCs in some Pastoral Breeds.

I have judged extensively in Belgium, Canada, Denmark, Eire, Finland, France, Germany, Holland, Norway, Sweden, Switzerland and South Africa. I have also judged all Stakes classes at UK champ shows.

I have bred the Newfoundland one-time Breed Record holder (CCs) as well as the current bitch breed record holder.

One of my proudest moments was to judge Newfoundlands at Crufts 2008 with an entry of 266 dogs and an entry of over 280.

Together with my wife I was asked to write the Ringpress book 'Newfoundlands Today' which was published in 1996/7 and is still regarded highly by many Newf owners today.

I have a particular love of the Spitz breeds - in fact the original Newfoundland was of a Spitz type - and I have owned and shown two different Spitz breeds.

I enjoy the working aspect of my own breed and judge the draught (carting) tests in the UK.

It was a great honour to be asked to judge your show - one of the highlights of this year and I am looking forward to it immensely.

Similarly, if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it will also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy. 14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.

15. It is not acceptable to handle a dog in a manner which causes its feet not to touch the ground when on the move. Exhibitors should note that such practices could constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.

16. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.

17. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

18 Dogs in Vehicles on Hot Days - Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

19. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
