### **About our judge**

I was a typical bored teenager with long school holidays and my Mother got me a job at local breeding and boarding kennels. I was just 14 and little did I know this job would change my life. The kennel showed Shelties and Golden Retrievers and I was allowed to handle both breeds at local shows. A school teacher had a Tervueren and I fell in love with the glamour of the breed and got my first show dog in 1982, a much loved (and much wrong with her) Tervueren, followed by a Groenendael soon after and the Ailort kennel started. I have been fortunate with 8 litters to have bred 7 champions. In 2001 my husband decided that he would like a Buhund and a friend was having a litter. I was not a fan of the breed initially but soon changed my mind as the Buhund is the opposite in temperament of a Belgian. The Belgian is typically aloof and the Buhund gives you that lovely vocal spitz welcome. I have been fortunate to produce several champions and my current American import has been top stud for the last few years. Away from dogs I am also a farmer and enjoy stock judging. In the last few years I have shown infrequently due to the demands of family/farm and also work. I look forward to my retirement in two years time and being able to spend more time in this fascinating hobby.

### **16. DOGS IN VEHICLES ON HOT DAYS**

Dogs in Cars on Hot Days - Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
