

The British Samoyed Club Ch Show 4th December 2016

I was honoured to be invited again by the British Samoyed Club, my first time judging for the Club was 34 years ago at your Open Show. As this show was the Christmas Show Santa duly arrived on his sleigh to the delight of all the youngsters and even the “more mature” audience.

The show had received an excellent entry and I would like to thank all the very sporting exhibitors as well as their hard working Committee who made my day so enjoyable. So many of the classes were just full of quality and I must single out the Open Bitch class which was thrilling to judge. Two new Champions were made up on the day and the cc & res cc bitches were litter sisters. Thanks you again for such a special and memorable day.
